

Press pass & permission to shoot

In order to be allowed to take photos and videos with a professional camera (detachable lens, SLR, etc.), individuals need to be granted permission issued by WNBF Germany e.V.. Here, a distinction is made between a press pass and a permission to shoot:

The **press pass** is issued to individuals with public interest. These can be press officers, journalists, media representatives, photographers or public figures. A press pass is issued by the Executive Board by means of a case-by-case evaluation - in doing so, particular attention is given to reach and quality. Individuals with a press pass have access to all premises of the event (with the exception of the tanning rooms) and should primarily capture the event as a whole. The video or photo material must be provided to WNBF Germany e.V. immediately after the event.

The **permission to shoot** is intended for athletes who would like to film or photograph their performance at WNBF Germany e.V.. The following regulations apply: The permission is explicitly given to the participating athlete and his or her accompanying person. Only the athlete himself/herself may be photographed and filmed with the permission (especially in the backstage area) - the clear consent of third parties is required. The only exception is the athlete's performance on stage: the entire class, including all persons on stage, may be photographed or filmed. The audience, jury or other third persons are again only allowed to be photographed or filmed with explicit consent.

- None of the recordings may be offered for sale.
- Filming/photographing in the tanning rooms is strictly prohibited.
- All recordings are subject to the German right to one's own image.
- Failure to comply with the guidelines may result in immediate removal.
- Taking pictures with a cell phone camera is permitted.
- The press pass/permission to shoot does not include access to the event or the backstage area.
- The person taking pictures/filming must show a valid media wrist band on the day of the event (will be handed out by WNBF Germany e.V. at registration).
